THE BEND
MOTORSPORT PARK

MOTOR RACING CIRCUIT

Inspired by some of the world's most iconic race circuits, Shell V-Power Motorsport Park's racing circuit is Australia's only circuit to comply with the latest FIA Grade 2 and FIM Category A standards.

Shell V-Power Motorsport Park combines technical corners, fast flowing sections and an aggregate rise and fall of 85 metres to ensure exciting racing and an enjoyable drive. The track design is unique in offering four circuit configurations constructed with all forms of motorsport in mind.

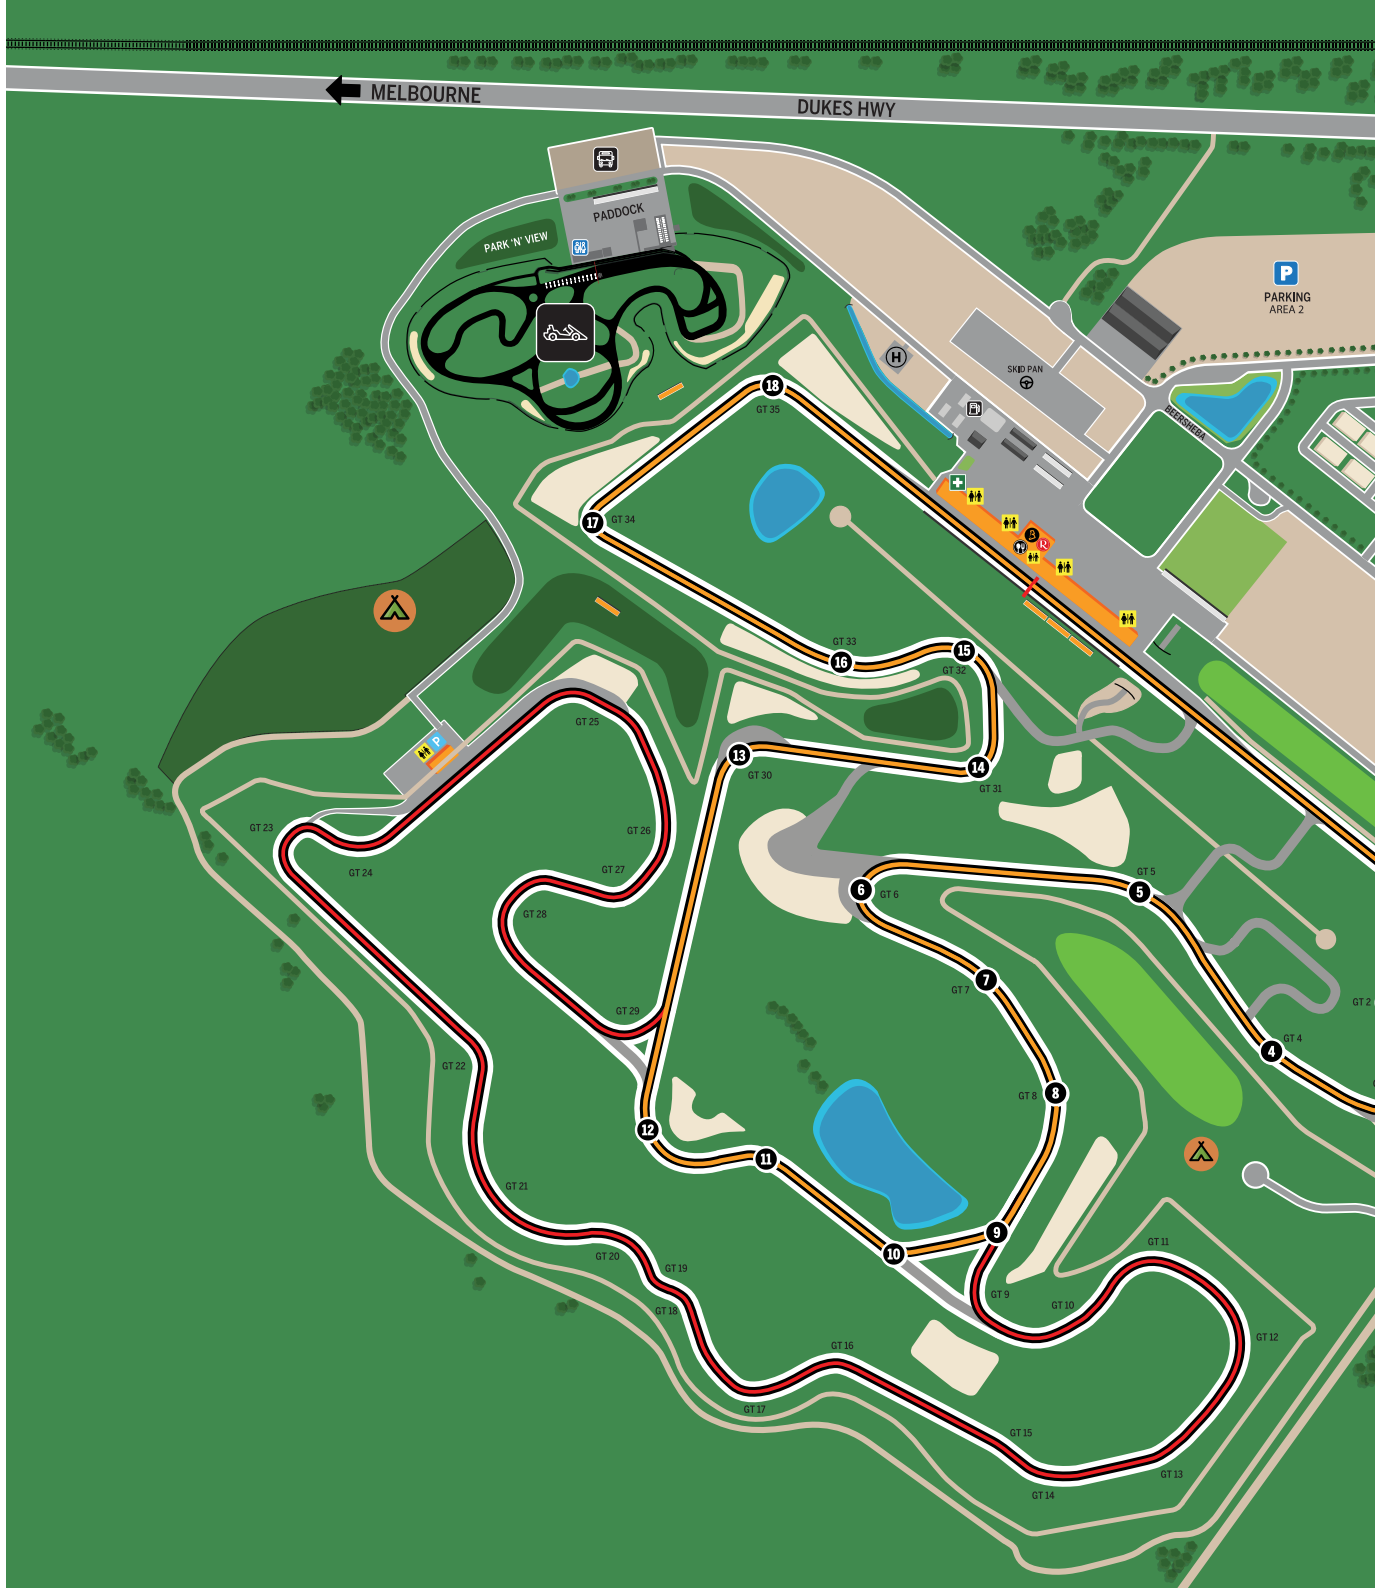

EVERYTHING THROUGH ONE GATE

The Shell-V Power Motorsport Park is one of the most significant developments in Australian motorsport history. A state of the art, world-class motorsport facility, The Bend will deliver an exhilarating experience for competitors, enthusiasts and spectators alike.

We hope you enjoy it as much as we've enjoyed creating it.

GT Circuit

The challenging 7.77km long GT Circuit is the second longest permanent race track in the world (second only to the Nordschleife, Nurburgring).

It's suitable for GT and endurance racing as well as the perfect driver experience.

Features

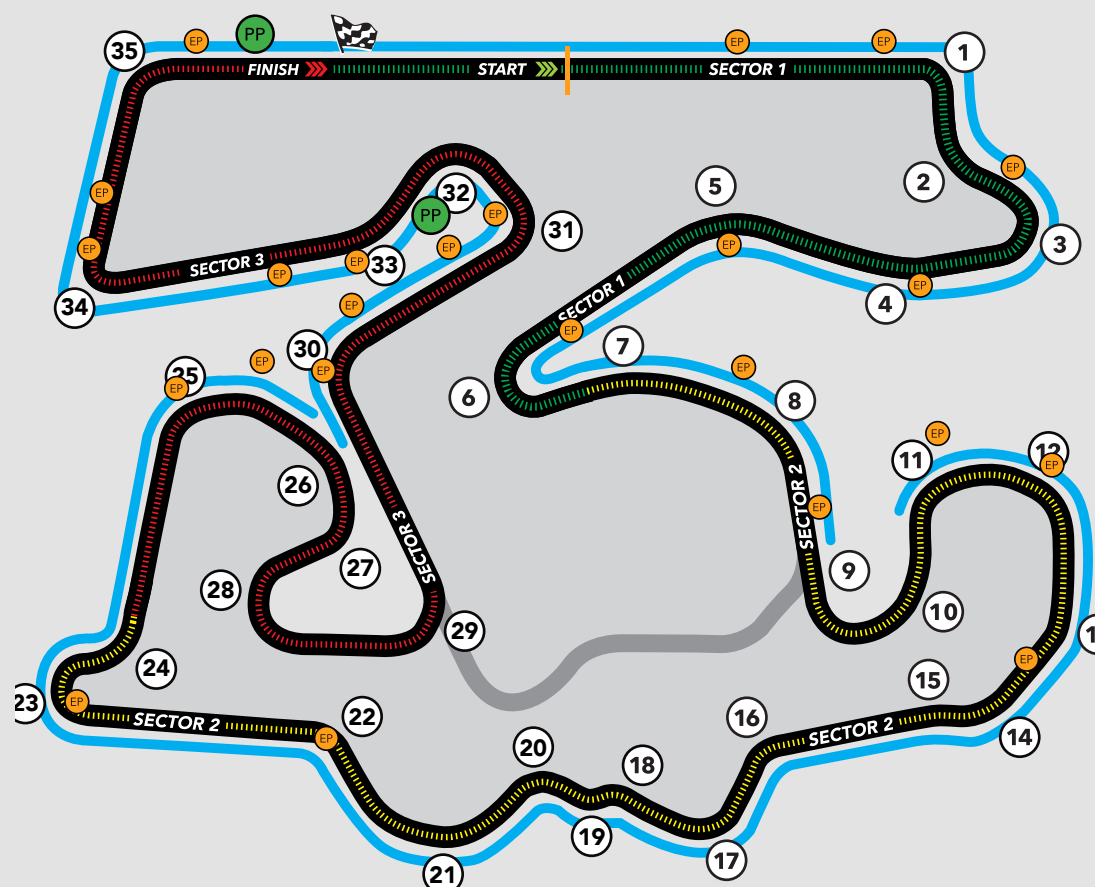

- Turns: 35
- Garages available to hire
- Timing screens for hire
- Catering available
- Shower, Toilets and Change rooms available
- Overnight Accommodation available
- CCTV 24 hours security
- FREE WI-FI access
- Additional audio and visual equipment and presentation aids available upon request

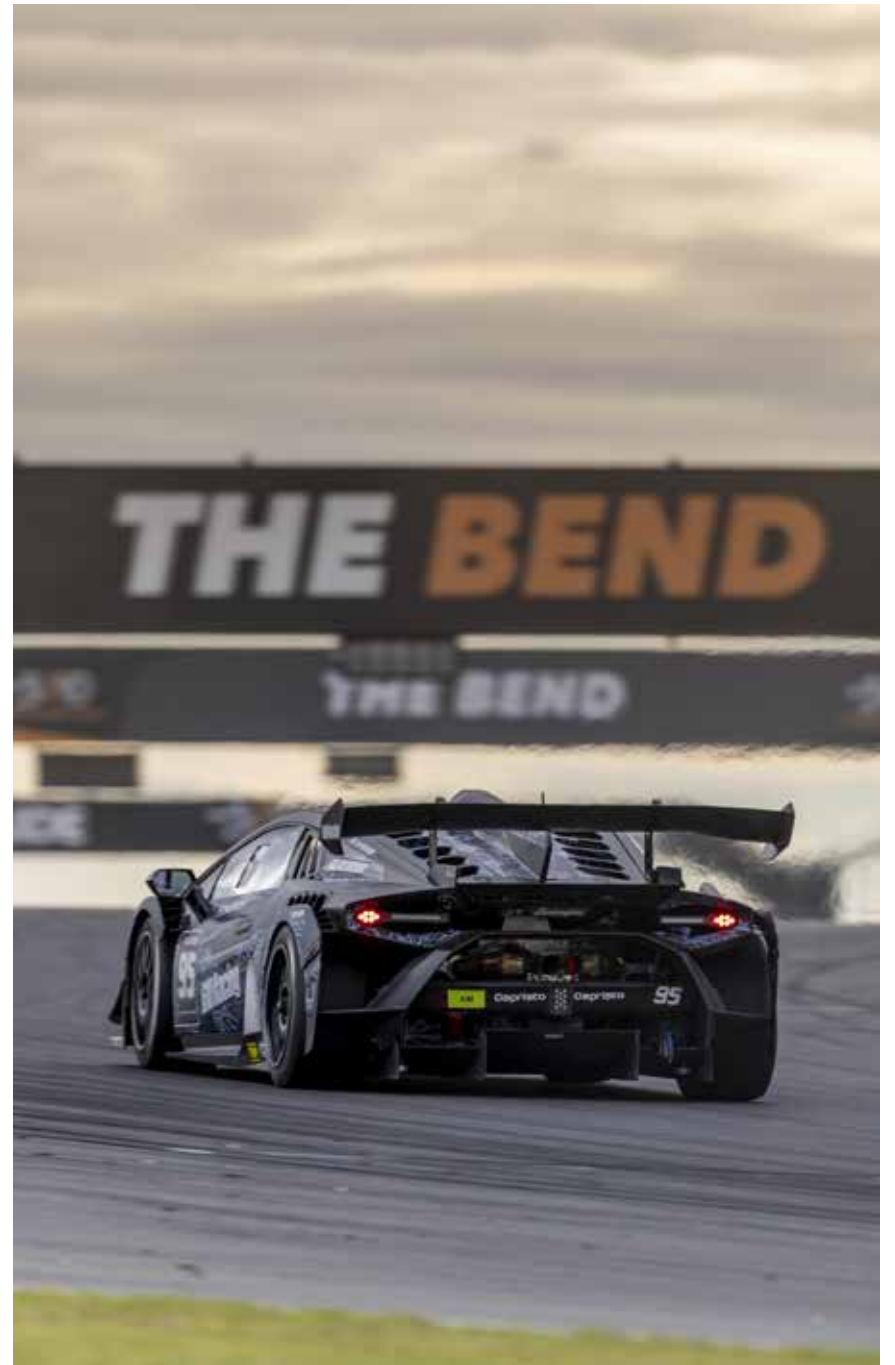

GT CIRCUIT

DISTANCE 7.7 KM

URNS 35

International Circuit

At 4.95km long, the International Circuit is ideal for Supercars, Superbikes, national series events right through to state racing, club racing and private hire.

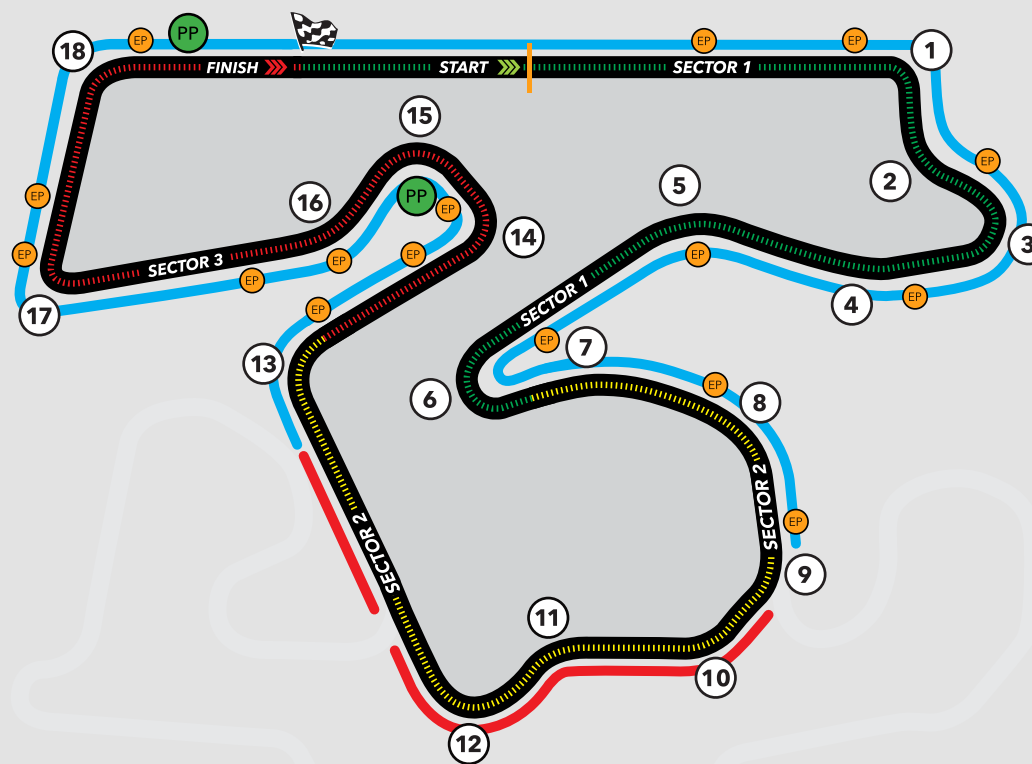

Features

- Turns: 18
- Garages available to hire
- Timing screens for hire
- Catering available
- Shower, Toilets and Change rooms available
- Overnight Accommodation available
- CCTV 24 hours security
- Additional audio and visual equipment and presentation aids available upon request

INTERNATIONAL CIRCUIT

DISTANCE 4.95KM

URNS 18

West Circuit

As it includes the main pit straight, the 3.41km West circuit is used for most short track events including club racing, testing, sprints, cruising events and driver/rider training.

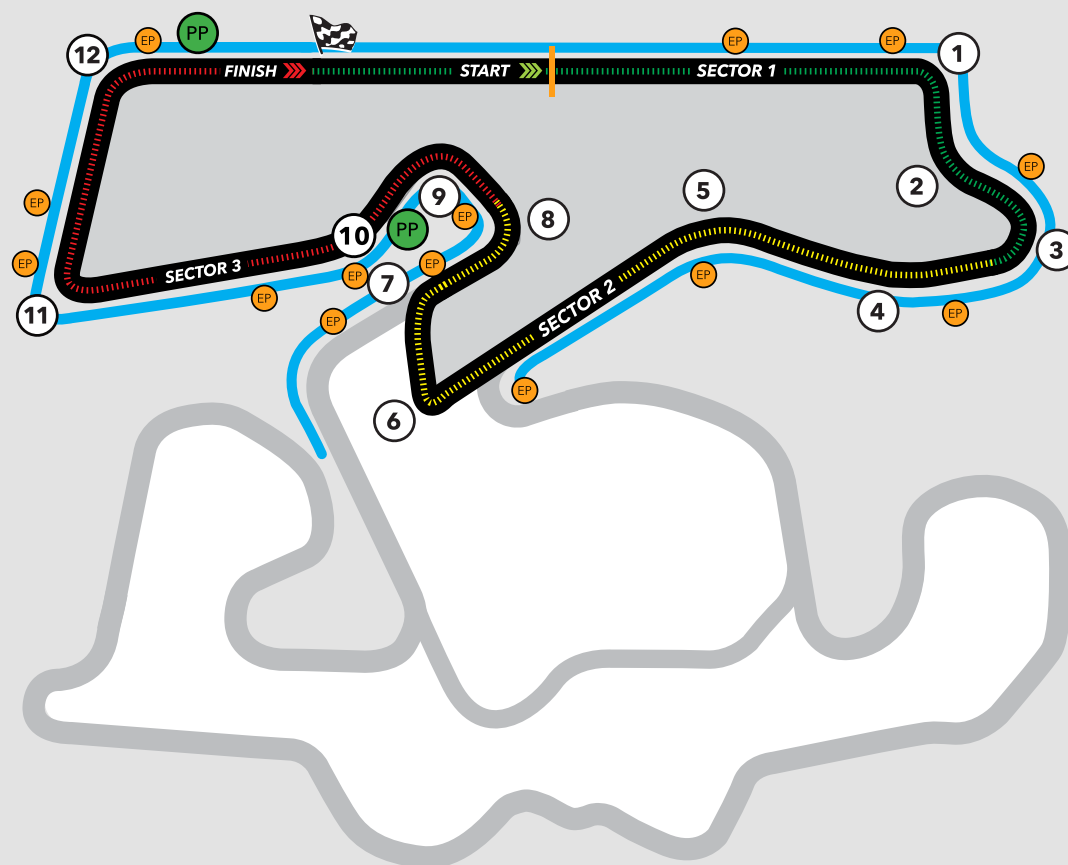

Features

- Turns: 12
- Garages available to hire
- Timing screens for hire
- Catering available
- Shower, Toilets and Change rooms available
- CCTV 24 hours security
- Additional audio and visual equipment and presentation aids available upon request

WEST CIRCUIT

DISTANCE 3.41KM

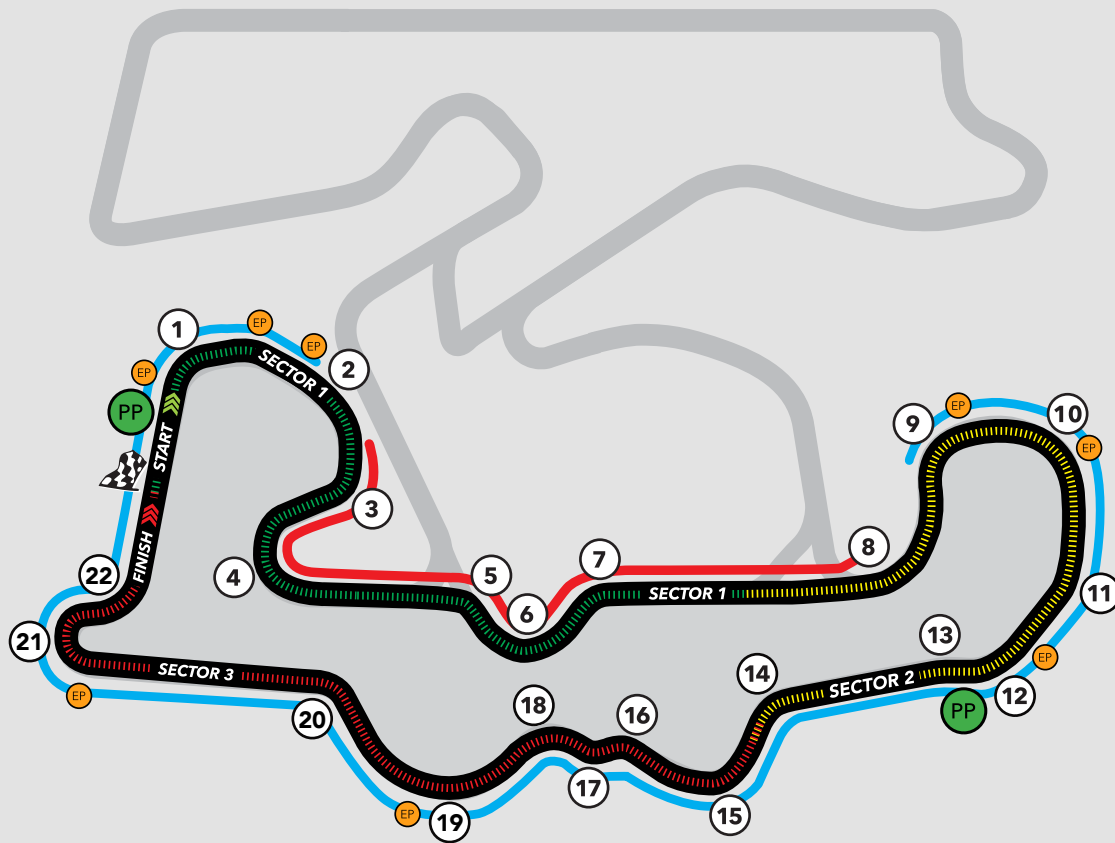

TURNS 12

EAST CIRCUIT

DISTANCE 3.93KM

URNS 22

East Circuit

With its own, smaller pit building, the winding and flowing 3.93km East Circuit can be run independently from the West Circuit. This configuration will be suitable for driver/rider training, testing, club days and private days. The East Circuit also features its own paddock, including garages, carports and race control facilities.

Features

- Turns: 22
- 2 x Garages & Carports available to hire
- Timing screens for hire
- Catering available
- Shower, Toilets and Change rooms available
- Overnight Accommodation available
- CCTV 24 hours security
- Additional audio and visual equipment and presentation aids available upon request

FUNCTION ROOMS WITH GARAGE

Two Unique Spaces in One

DRAGWAY AT THE BEND

A cornerstone of the original Masterplan of the park is now complete with the state-of-the-art Dragway at The Bend precinct now operational.

The \$35m project creates a new home for drag racing in South Australia with the venue immediately being one of the premier facilities in the country and among the quickest racing surfaces in the world.

The precinct will be utilised for off street racing events, state and national championship events, club & theme days as well as manufacturer testing and showcasing of vehicles.

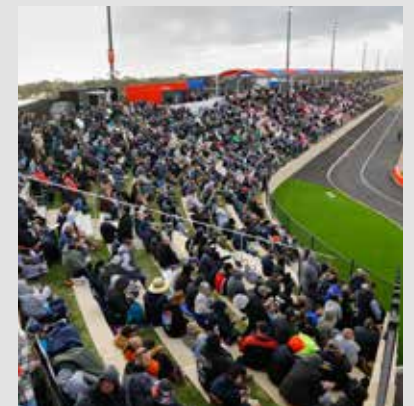

DRAG RACING

Another World-Class Addition.

The Dragway at The Bend is a state of the art facility catering to both elite competition and entry level events. The Dragway is a dual-lane strip over 1-kilometre with a quarter-mile concrete timed length supported by the latest in lighting technologies for night events.

Features

- 402m Concrete racing surface
- 780m Asphalt braking area
- ANDRA & IHRA sanctioned
- Corporate area on first floor of Race Control Building accommodating 70 patrons inc. bar
- 2x Corporate Pods located on Western Mound hosting 15 patrons each
- Asphalt and grass pit paddock area holds 180 competitors inc power outlets
- Large scrutineering shed for administration and vehicle checking
- Porta Tree timing system inc. 60ft, 330 ft, 1000ft and 1320ft speed and ET timing
- Dragway Café in Pit area.
- Bar and café located on Western side needs.

BURNOUT PAD

Private Hire & Competition.

The Burnout Pad is a purpose built concrete surface within the Dragway catering to major burnout competitions as well as dual-use during Drag Racing events.

This dedicated pad is perfectly positioned for drivers with an exciting drop in runway and for spectators with premium elevated viewing.

Features

- Full concrete burnout pad 60m x 20m
- Concrete tip in area
- Prime Spectator Viewing from Western and Eastern side of the venue
- Utilisation of Dragway Pit Area for competitors
- Premium Audio and Visual Production potential using the state of the art lighting and digital screen technologies.

BEND KARTDROME

Shell V-Power Motorsport Park's Kartdrome Circuit is a multi-purpose facility, built specifically for karting, drifting and rallycross. The venue is also ideal for rallycross and driver training.

Additionally, the multi-function race control building includes function and meeting rooms, cafe and spectator viewing areas.

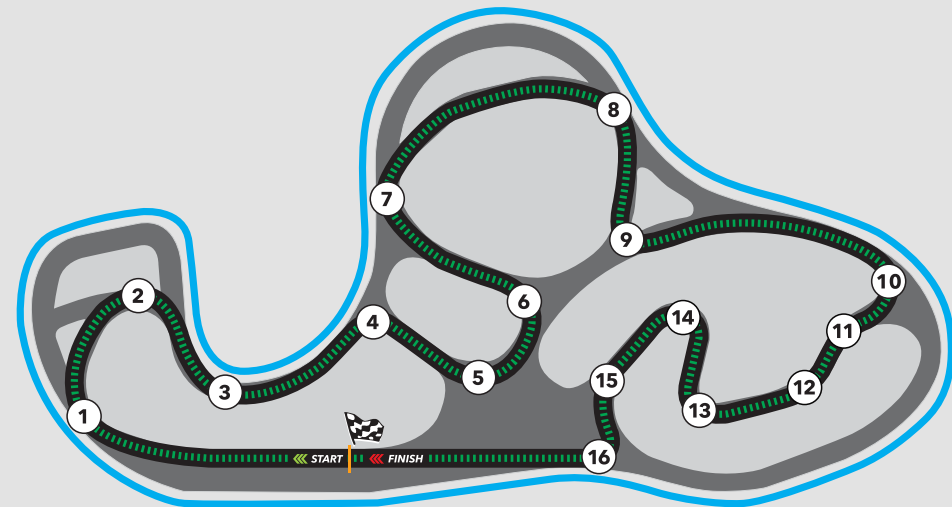

Features

- Track Length 1171m
- Turns: 16
- CIK FIA Approved
- Multiple configuration, Drift, Rally X, Motard
- Large conference room
- Sheltered out grid
- 20 covered car bays with lights & power
- Full bitumen paddock with tie-down points
- Race control room with Alitrax light system
- PA System.

KARTING

Have The Best Of Both Worlds

The Karting Circuit is a world class facility offering both competitive and fun driving experiences. The design of the 1.1km long circuit is to CIK-FIA International standards. It features fast and technical sections as well as undulations.

DRIFTING

Private Hire & Competition.

The Bend Kartdrome 'Stadium Circuit' is the only purpose-built dedicated Drift facility in Australia. It features numerous alternative layouts and unique elements designed for national events, Matsuri and local competition.

Features

- Track Length 1171m
- Multiple configuration, Karting, Rally X, Motard
- Large conference room
- Sheltered out grid
- 20 covered car bays with lights & power
- Full bitumen paddock with tie-down points
- Race control room with Alitrax light system
- PA System

FOUR WHEEL DRIVE, RALLY & OFF ROAD

The 4WD Adventure Park provides a range of novice to advanced trails, suitable for first-time four-wheel-drive owners through to the most-experienced drivers wanting to challenge themselves in a safe environment.

Serviced by its own function and briefing centre, the Four Wheel Drive, Rally and Off Road precinct is set up to be completely self sufficient for hirers looking to hold events and activities including product launches and testing, team building exercises or the most exciting conference you've ever been to!

The function and briefing rooms also feature a viewing deck on top of the building, providing 360 degree views of the four wheel drive, rally and off road action.

Features

- Rock and log obstacles
- Sand traps and dunes
- Inclines and descents of varying grades
- Table tops
- Off-road trails
- Timing screens for hire
- Catering available
- Shower, Toilets and Change rooms available
- Overnight Accommodation available
- CCTV 24 hours security
- Additional audio and visual equipment and presentation aids available upon request
